

5 The equation of a curve is such that  $\frac{dy}{dx} = 4x - 3\sqrt{x} + 1$ .

(a) Find the  $x$ -coordinate of the point on the curve at which the gradient is  $\frac{11}{2}$ . [3]

The diagram shows part of the curve with equation  $y = \frac{12}{\sqrt[3]{2x+1}}$ . The point  $A$  on the curve has coordinates  $\left(\frac{7}{2}, 6\right)$ .

- (a) Find the equation of the tangent to the curve at  $A$ . Give your answer in the form  $y = mx + c$ . [4]

This image shows a full page of primary-ruled paper. It features multiple horizontal rows, each defined by two parallel dotted lines. The rows are evenly spaced across the entire page, providing a guide for handwriting practice. There are no margins, text, or other markings present.

This image shows a full page of primary-ruled paper. It features approximately 20 horizontal dotted lines spaced evenly down the page, providing a guide for handwriting practice. The paper is otherwise blank, with no margins, text, or other markings.

- 7 (a) By expressing  $-2x^2 + 8x + 11$  in the form  $-a(x-b)^2 + c$ , where  $a$ ,  $b$  and  $c$  are positive integers, find the coordinates of the vertex of the graph with equation  $y = -2x^2 + 8x + 11$ . [3]

[illegible]

(b)

The diagram shows part of the curve with equation  $y = -2x^2 + 8x + 11$  and the line with equation  $y = 8x + 9$ .

Find the area of the shaded region. [5]

[illegible]

(a) Find the  $x$ -coordinates of the points of intersection of the curves. [3]

This image shows a full page of white paper with horizontal dashed lines, typical of primary-ruled notebook paper. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

(b) Find the area of the shaded region.

[4]

This image shows a full page of a handwriting practice worksheet. It consists of approximately 20 horizontal rows. Each row is defined by two parallel dotted lines, creating a series of uniform gaps for letter height. The entire page is otherwise blank, with no margins, text, or other markings.
